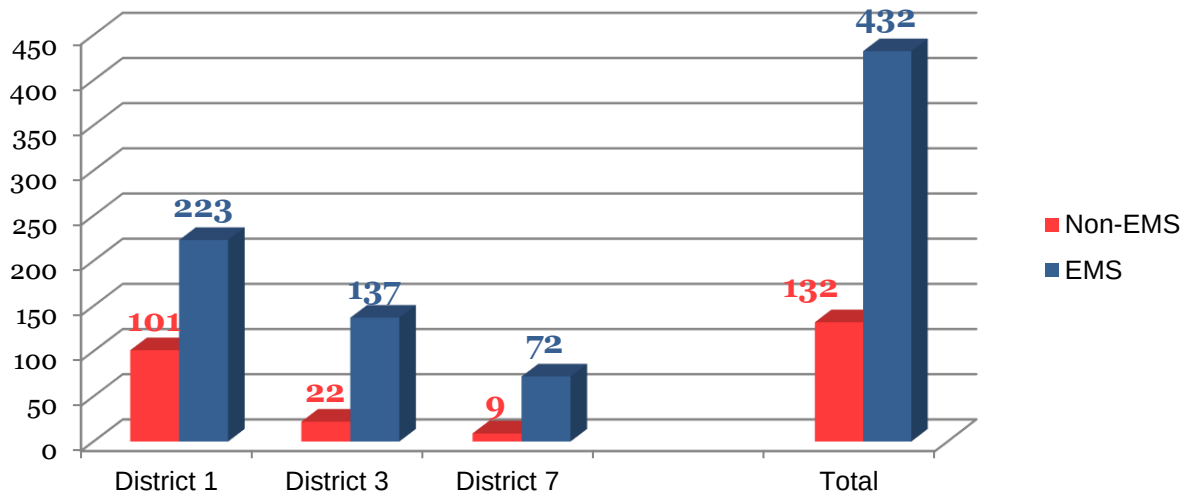
City of Sandusky Fire Department

Monthly Report

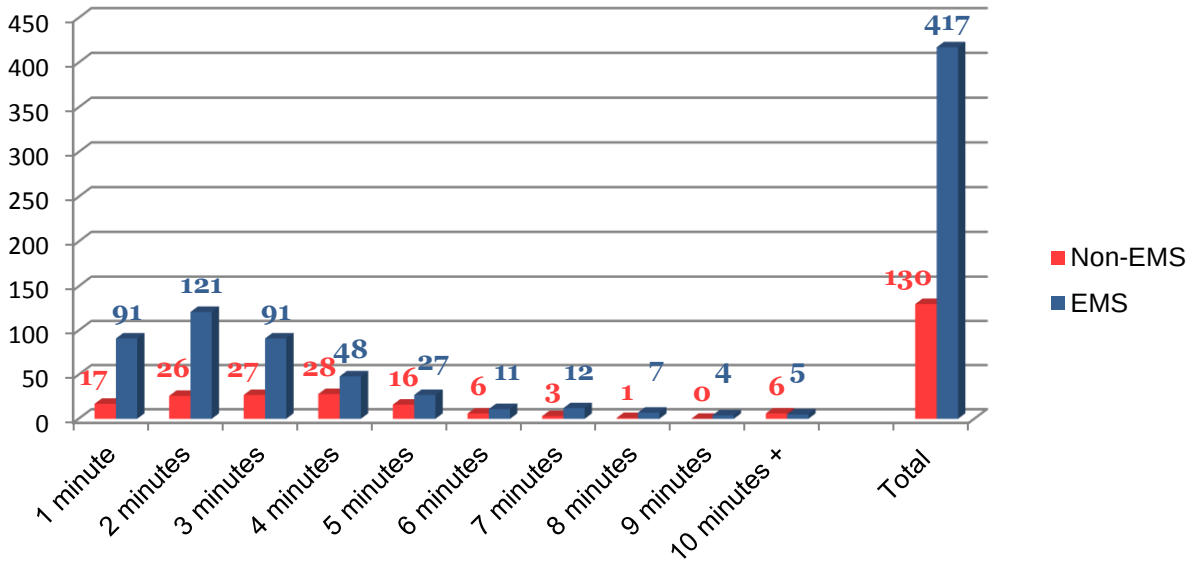
July 2016

Operational Reports Generated For The Month of May



There were 564 reports generated in July. 57% of all reports were for District 1. Reports for District 3 and District 7 were 28% and 15% respectively.

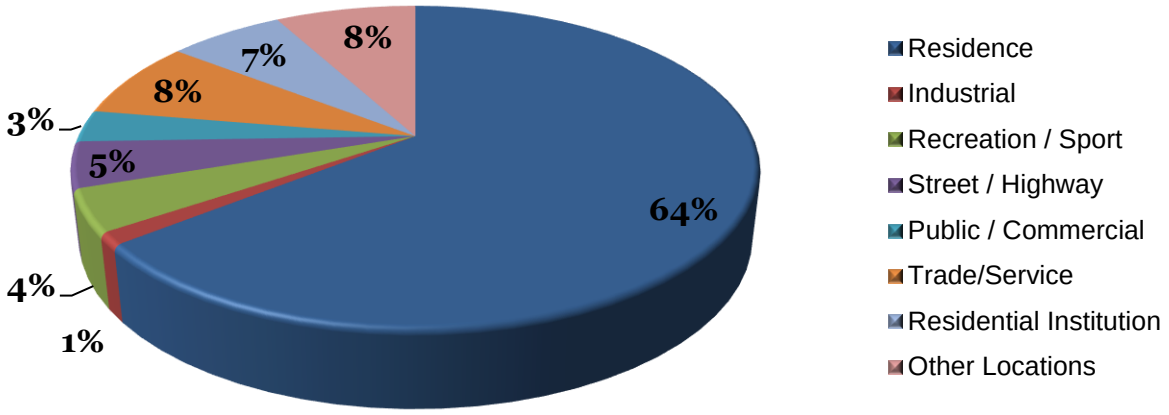
District Emergency & Non-Emergency Response-To-Scene Statistics



The average response-to-scene time for fire related calls was 4 minutes and 6 seconds. The average response time for EMS related calls was 3 minutes and 22 seconds.

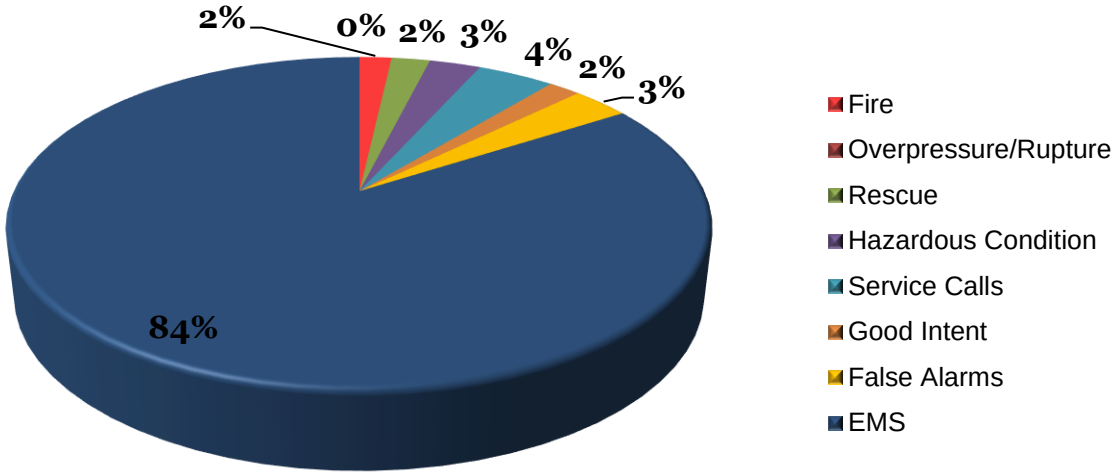
The Sandusky Fire Department responded to 75% of fire related calls within 4 minutes and 84% of EMS related calls within 4 minutes. This calculates to 82% of all fire/ems related calls within 4 minutes.

Response By Location



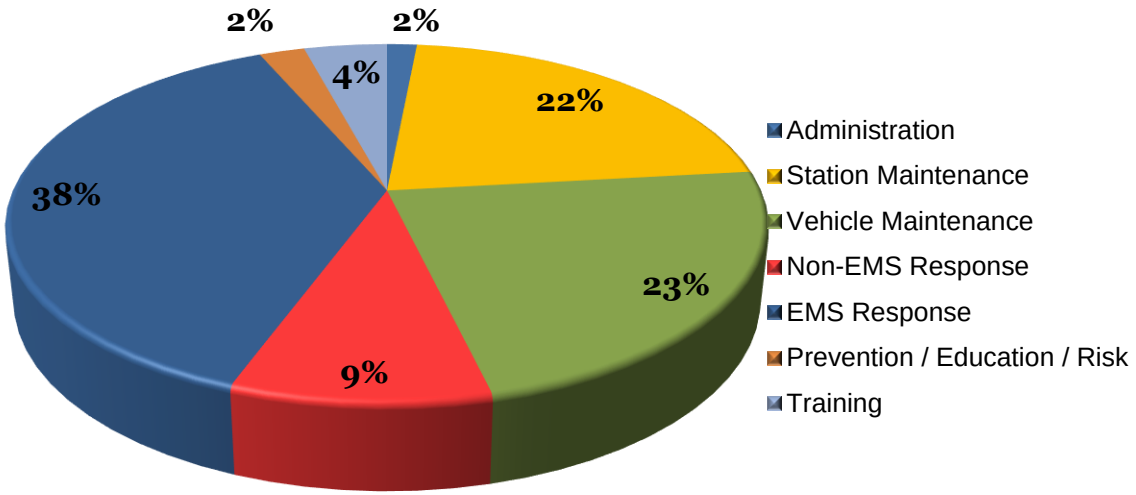
In July, 71% of all department responses were to residential occupancies (residences, nursing homes and residential institutions).

Incident Type



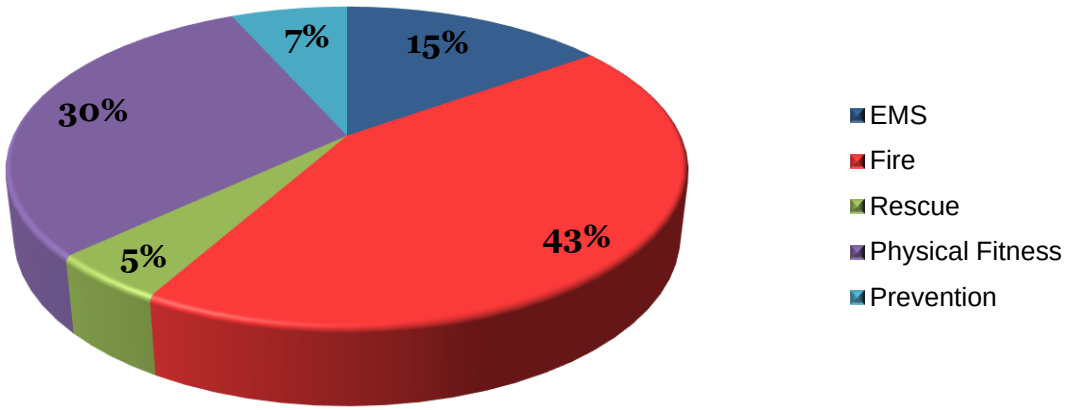
EMS related calls continue to be the highest requested service at 84%. There were 2 structure fires reported in July. False alarms represented 3% of all emergent activity in July. There was $12,500 in fire loss in the month July.

Monthly Staff Activity

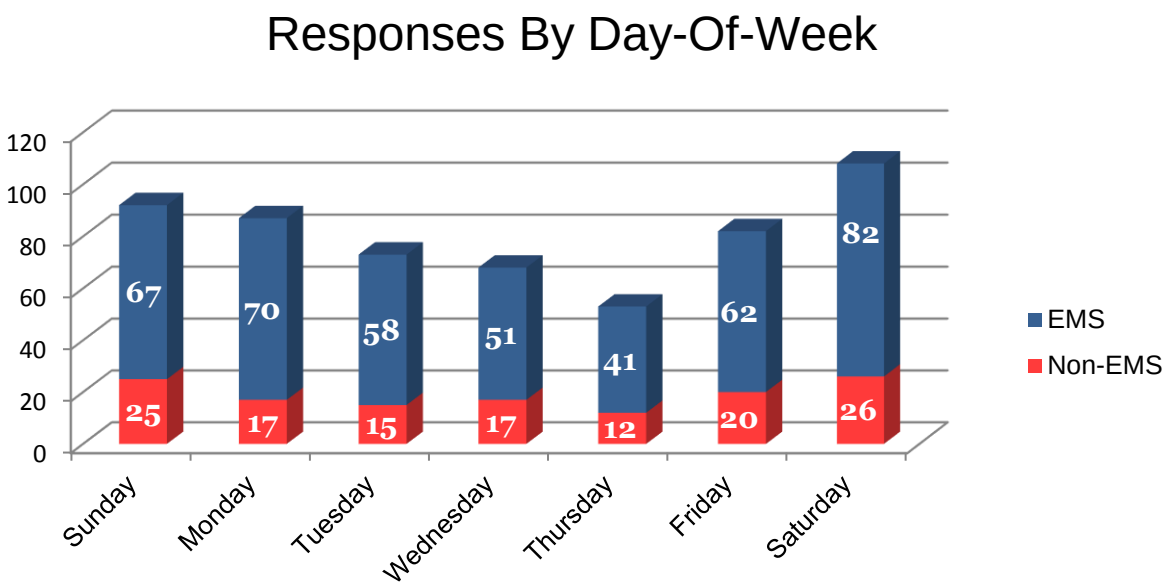


47% of all July activity was fire/ems related calls. Station and vehicle maintenance was 45% and training was 4%.

Training Analysis



30% of July training was physical fitness training. 15% was on fire prevention and education and 43% on fire ground strategy & tactics education.



Average Daily Staffing:

The Sandusky Fire Department maintained a regularly scheduled average daily staffing level of 9 firefighters in July. Any drop in a staffing level below 11 firefighters per day is suplemented with voluntary overtime call-in by off-duty personnel.

Mutual Aid:

The Sandusky Fire Department provided mutual-aid 2 times and received mutual-aid 1 time in the month of July from other agencies within Erie County.

Respectfully Submitted,

Dave Degnan, Fire Chief
