of Ohio**
A NiSource Company

Saving is simple:

- 1 Schedule your \$20 Home Energy Audit today.**
- 2 Meet with an energy auditor.**
The auditor will conduct a thorough inspection of your home.
- 3 Review your Home Energy Audit results.**
The auditor will provide information on your estimated savings and recommended energy-saving upgrades.
- 4 Choose a participating contractor.**
Your contractor will install recommended energy-saving upgrades for only \$300, covering 90% of the total cost on average.

Visit **ColumbiaGasOhio.com/EveryDollarMatters** or call **877-614-6674** to schedule your Home Energy Audit today.

Home Energy Audit only available to Columbia Gas of Ohio customers in Sandusky, Ohio, zip codes 44870 & 44871, with gas-heated homes. Homes that are not owner-occupied will require owner permission to receive the energy improvements. \$300 out-of-pocket maximum for weatherization. \$1,000 maximum off high-efficiency furnaces. Income-eligible customers may qualify for free services through the WarmChoice® program. Call 877-644-6674 for additional details.
