DEVELOPMENT & BEAUTIFICATION
PROGRAMS

PROGRAM YEAR 2018

SUMMARY OF THE PROCESS FOR RECEIVING A GRANT UNDER THE HOUSING DEVELOPMENT AND BEAUTIFICATION (“HDB”) PROGRAM

Please be sure to read the **complete** guidelines prior to turning in your application.

1. Review the guidelines and completely fill out an application – if not completely and correctly filled out, it will delay the processing of the application.
2. For Substantial Redevelopment and Exterior Repairs + Landscaping, be sure to include cost estimates and contractor information. For Downpayment Assistance, be sure to include an executed purchase agreement and a loan estimate or other proof that you have obtained a loan and the terms of that loan.
3. If the project and/or contractor changes subsequent to approval, your grant amount may be reduced or the grant may be rescinded.
4. Wait for an award letter. Allow up to six (6) weeks. If you provide an email address in the application, the award letter will be emailed to you. Please do not call to check the application status until six (6) weeks has passed. You may not begin the project until you receive an award letter except for Substantial Redevelopment projects.
5. Complete the project.
6. For Downpayment assistance, please notify the City at least fourteen (14) days prior to the closing date in order for a check to be available at the time of closing.
7. Once the project is complete, provide the following to the Department of Community Development:
 - a. The final invoice demonstrating that the amount due has been paid in full or, alternatively, the portion owed by the applicant is paid in full.
 - b. The attached form (page 13 of this application) showing proof that permits were obtained and proof that the contractor(s) are registered, if applicable.
8. The grant check will be paid to the person or entity that is legally titled to the property or directly to the contractor. Allow up to four (4) weeks to receive the grant check.

Financial assistance is available for new or substantially redeveloped housing units, homebuyers and property owners desiring to undertake enhancements to their property.

HOUSING DEVELOPMENT & BEAUTIFICATION PROGRAMS

The City of Sandusky's ("the City's") intention is for its programs to be fair, straightforward, and easy to navigate. If you have any questions, please do not hesitate to contact the Department of Community Development (contact details on page 12).

Section I - GENERAL TERMS:

FUNDING AVAILABILITY: No less than \$300,000 is available for calendar year 2018

ELIGIBILITY REQUIREMENTS: The properties must be located in the municipal boundaries of the City. All projects must meet applicable zoning requirements. Applicants with mobile homes that are permanently affixed to the ground are eligible to apply. **Projects with outstanding code violations are eligible to apply – but all code violations must be repaired prior to grant disbursement.**

APPROVAL PROCESS: Completed applications will be accepted on a rolling basis throughout the year on a first come – first serve basis. The Department of Community Development reviews applications first for completeness and to ensure compliance with eligibility criteria. **Estimates must be included with applications.** All approved applications will receive an award letter. Applicants who submit incomplete applications and/or applications with compliance issues will be contacted and will have four (4) weeks to rectify all identified issues. If the issues are not rectified within four (4) weeks to the satisfaction of the City, the application will be discarded and the applicant will need to submit a new application. Please allow up to six (6) weeks for application review. Applications for assistance greater than \$10,000 that are approved by the Department of Community Development will require final approval by the Sandusky City Commission (the applicant is required to attend the Commission meeting at which the grant is discussed). Accepted applications must be for the current program year. Once funds for the current program year are exhausted, applicants must wait until a new application and funding are available. **If the project scope and/or contactor changes after the award is issued, the grant amount may be reduced or rescinded.**

FAILURE TO COMPLETE: Applicants will be given a predetermined amount of time to complete projects. If an extension is needed, the applicant must request an extension PRIOR to the completion deadline. If an applicant fails to complete a project for which he or she was awarded grant funds, the applicant (not the property) will not be eligible to apply for grant funds in the next program year – there will be no exceptions to this policy.

AVAILABLE FINANCING: HDB funding is intended to be an additional or secondary financing source and is not intended to cover 100% of a potential project's cost – with the exception of those applying for modest exterior repair assistance. **For those applying for other types of funding assistance, all other sources of funding must be utilized before any HDB funds are disbursed.** Grant proceeds are provided directly to third party contractors or on a reimbursable basis, payable to the property owner of legal title with the exception of those applying for down payment assistance funding. For those applying for downpayment assistance funding – grant proceeds will be disbursed only to the Title Company handling the transaction prior to closing. Applicants have up to 180 days to complete projects after receiving an award letter, subject to adjustment based on the condition of the property. Applicants who receive a Downpayment Assistance grant have 90 days to close on a home purchase. Grants will generally be disbursed within

approximately four (4) weeks following confirmation of all program requirements required for disbursement.

REQUIRED EQUITY: The amount of required equity will vary depending on the particular program being applied for.

MISCELLANEOUS: Applicants are permitted in certain instances to perform improvement work themselves; however, in these cases, City grants will be available for materials only (no labor). Applicants may be requested to sign certain waivers to allow the City to share information with relevant lending institutions and obtain credit reports for those seeking funding for Downpayment Assistance and Substantial Redevelopment. Requests for funding will be denied if applicants have outstanding collections, judgment liens, other court judgments, delinquent taxes, other tax liens, or any delinquent outstanding money owed to the City. Any previous bankruptcy must be fully discharged prior to submitting an application.

No person shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with HDB funds.

Section II – PROJECT EXCLUSIONS:

Each program outlined in Section III may have specific and more restrictive eligibility requirements than those listed in this Section. The project exclusions outlined in this Section generally apply to all applications and projects regardless of the type of financial assistance being requested.

PROJECT EXCLUSIONS: Projects will not be considered for financial assistance through HDB if they involve:

1. Rehabilitation, construction or redevelopment that involuntarily and permanently displaces businesses, residents or tenants.
2. Refinancing of existing debts and mortgages.
3. Financing of speculative projects, buildings, or activities such as land banking or acquisition of real estate with no planned capital improvements or re-occupancy.
4. Projects in which the property or project in question does not meet zoning or occupancy codes.
5. Projects for properties that contain four (4) or more units. This exclusion does not apply to new residential units.
6. Financing to projects in which the applicant has ever or currently owns entirely or in part, real estate that is tax delinquent and not on a payment plan, contains non-registered rental units, or is in foreclosure. Applicants who have previously had real estate in foreclosure are eligible after a period of seven (7) years from the date of case closure.
7. Financing of projects in which the applicant currently has utility delinquencies including but not limited to water and sewer.
8. Financing of projects in which the applicant currently has rental registration and/or administrative penalty delinquencies or has any outstanding delinquent or defaulted liabilities with the City.
