

2018 LEAF COLLECTION PROGRAM

To participate in the free, annual Leaf Collection Program, you must follow these guidelines:

1. Leaves must be **placed within six (6) feet of the curb by 7:00 am on the first scheduled pick-up day** in your zone. This time will be strictly enforced.
2. **Do not place leaves in street.** This is considered a violation of the city ordinance *531.03 Littering*.
3. Pick-up is for leaves only—**no sticks or other yard waste.**
4. **Leaves placed behind parked cars will not be collected.** Property owners are encouraged to coordinate on-street parking with neighbors during their collection dates.
5. You are allowed to bag your leaves in paper bags. **Leaves in plastic bags will not be collected.**

Piles that fail to meet these guidelines will be marked with an X in paint. A notice will be left at the door and the address will be noted by driver. **There will be a leaf drop-off area near the Marquette Drive entrance to the City Service Center seven (7) days a week from October 29 – January 4**, for those who miss their scheduled pick-up or have additional leaves for disposal. **Leaves must be placed in paper bags for drop-off.**
