CURRENT BUSINESS

ITEM #1 - ORDERED IN 9.26.11

ORDINANCE NO. _____: It is requested an Ordinance be passed authorizing and directing the city manager to enter into a five (5) year license agreement with the Maritime Museum of Sandusky for priority use of the Sandusky Bay Pavilion beginning January 1, 2012; and declaring that this ordinance shall take immediate effect in accordance with section 14 of the city charter.

ITEM #2 – Submitted by Amanda Meyers, Paralegal

Budgetary Information: The cost associated with this purchase agreement is the total amount of the title examination, title insurance policy, deed preparation and escrow fees charged by the title company acting as escrow agent for the sale and purchase transaction. Any such costs shall be paid by the purchasers. The purchasers shall also pay the real estate transfer tax, if any, and recording fees upon purchase. Residential development of this nonproductive land will enhance property values in the southside acquisition zone and the taxing districts will once again begin collecting real property taxes.

ORDINANCE NO. _____: It is requested an Ordinance be passed declaring that certain real property owned by the city as part of the land reutilization program identified as parcel #58-01001.000, located at 1722 Pierce Street is no longer needed for any municipal purpose and authorizing the execution of a purchase agreement with respect to that real property; and declaring that this ordinance shall take immediate effect in accordance with section 14 of the city charter.

ITEM #3 – Submitted by Todd J. Roth, P.E., P.S.

Budgetary Information: The third and final change order will decrease the contract with Industrial Power Systems, Inc. by \$20,000. The revised contract amount is \$548,603.67 and is shared between the city and county at a 64.8% / 35.2% split. The city's share will be paid with sewer funds through the project's OWDA loan.

ORDINANCE NO. _____: It is requested an Ordinance be passed authorizing and directing the city manager to approve the third and final change order for work performed for the wastewater treatment plant expansion project phase II and to deduct the contract amount by \$20,000 in relation thereto; and declaring that this ordinance shall take immediate effect in accordance with section 14 of the city charter.

ITEM #4 – Submitted by Thomas Schwan, Transit Administrator

Budgetary Information: The state grants have a significant impact on the transit system's budget, as they comprise approximately 10% of the total operating budget. These funds are also used as matching funds, which allows the city to draw down its funds from the U.S. Department of Transportation for the federal transit grant. Without this state funding, service would have to be restructured or reduced. The E & D program provides state funds to reimburse STS reduced fares, no greater than one-half (1/2) the regular adult fare, to the elderly and people with disabilities in the City of Sandusky, Perkins Township and the City of Huron. These funds offset the farebox loss incurred by STS as a result of offering this reduced fare.

RESOLUTION NO. _____: It is requested a Resolution be passed authorizing and directing the city manager to accept a grant in the amount of \$24,246 from the Ohio Department of Transportation for CY 2012 Elderly and Disabled Transit Fare Assistance program; and declaring that this resolution shall take immediate effect in accordance with section 14 of the city charter.

ITEM #5 – Submitted by Kelly L. Kresser

A notice has been submitted to the City of Sandusky from the Ohio Division of Liquor Control, requesting a liquor permit transfer from J. Bistro I LLC dba J. Bistro I to Manhattan on Market LLC dba J. Bistro, 1st floor & storage basement, 129 West Market Street, Sandusky. It is requested the clerk notify the Ohio Division of Liquor Control that the city has no objections to this request.

RE: City Commission Agenda Item

ITEMS FOR CONSIDERATION: The purpose of this communication is to request approval of legislation allowing the City Manager to execute a 'Purchase Agreement' and sale of non-productive land that the City has acquired through the City of Sandusky's Land Reutilization Program, formerly known as 1722 Pierce Street, Sandusky, Ohio, Erie County Parcel No. 58-01001.000, which is no longer needed for any municipal purpose and would be best suited for neighborhood revitalization.

BACKGROUND INFORMATION: Pursuant to Ordinance No. 07-026 passed June 11, 2007, the City is conducting a Land Reutilization Program in accordance with the provisions of Chapter 5722 of the Ohio Revised Code. The City Commission approved the acquisition of this property by Resolution No. 002-10R, passed on January 11, 2010, and the City purchased this property in July of 2010 with NSP grant funds, in which Habitat for Humanity allocated \$24,749.00 of their NSP grant funds toward the purchase price. After acquisition, the structure on the property was demolished by the City utilizing NSP grant funds. The City of Sandusky's Land Reutilization Policies and Procedures facilitate reutilization of nonproductive land situated within the City of Sandusky and support neighborhood revitalization and promote residential and economic development. Firelands Habitat for Humanity, Inc. has requested acquisition of this nonproductive land and intends to build a single-family residential structure on the property. The Land Bank Administrator has verified that they qualify pursuant to the requirements of the Land Reutilization Policies and Procedures. The Land Bank Committee approved the acquisition and sale on September 14, 2011.

BUDGET IMPACT: The cost associated with this purchase agreement is the total amount of the title examination, title insurance policy, deed preparation and escrow fees charged by the title company acting as escrow agent for the sale and purchase transaction. Any such costs shall be paid by the Purchasers. The Purchasers shall also pay the real estate transfer tax, if any, and recording

fees upon purchase. Residential development of this nonproductive land will enhance property values in the Southside Acquisition Zone and the taxing districts will once again begin collecting real property taxes.

ACTION REQUESTED: It is requested legislation be adopted allowing the City Manager to enter into a purchase agreement and to sell the property no longer needed for any municipal purpose formerly known as 1722 Pierce Street, Sandusky, Ohio, Erie County Parcel No. 58-01001.000 to Firelands Habitat for Humanity, Inc. It is further requested that this legislation be passed under suspension of the rules and in full accordance with Section 14 of the City Charter in order to promptly execute the closing.

In July of 2010 the Erie County Commissioners signed a developers agreement with Firelands Habitat for Humanity (HFH) in the amount of \$200,000 which was obligated as part of the Erie County 2008 Neighborhood Stabilization Program (NSP) allocation. This agreement committed HFH to expend the NSP funds on housing development in Erie County. As such, property located at 1722 Pierce Street was subsequently acquired by the City of Sandusky and placed into the City's land bank. \$24,749 of HFH's contract was utilized to reimburse the City of Sandusky for the purchase of the subject site, which at the time was fair market value.

ATTEST: _____
KELLY L. KRESSER
CLERK OF THE CITY COMMISSION

Passed: October 11, 2011

TO: Donald C. Icsman, Acting City Manager
FROM: Thomas Schwan, Transit Administrator
DATE: September 30, 2011
SUBJECT: FY 2012 State of Ohio Elderly and Disabled Transit Fare Assistance Program for The Sandusky Transit System (STS)

ITEM FOR CONSIDERATION: Request for Resolution of Authorization to accept a grant from the Ohio Department of Transportation for the FY 2012 Ohio Elderly and Disabled Transit Fare Assistance Program (E&D) and upon approval for the City Manager to execute any grant or agreement as awarded.

BACKGROUND INFORMATION: The City of Sandusky is required to pass a resolution annually to accept funding from the Ohio Department of Transportation for the E&D Program. The Ohio Elderly and Disabled Transit Fare Assistance Program (E&D) is used to offer discounted fares for STS rides to persons with disabilities and persons over the age of 65.

The City's E&D Program allocation for FY 2012 is \$24,246.00 based on information provided by the Office of Public Transit, Ohio Department of Transportation. The executed contract must be returned to ODOT within thirty days (30) with a signed authorizing resolution.

BUDGET IMPACT: The state grants have a significant impact on the transit system's budget, as they comprise approximately 10% of the total operating budget. These funds are also used as matching funds, which allows the City to draw down its funds from the U. S. Department of Transportation for the Federal Transit Grant. Without this state funding, service would have to be restructured or reduced. The E&D Program provides state funds to reimburse STS reduced fares, no greater than one-half (1/2) the regular adult fare, to the elderly and people with disabilities in The City of Sandusky, Perkins Township and The City of Huron. These funds offset the farebox loss incurred by STS as a result of offering this reduced fare.

ACTION REQUESTED: Resolution authorizing the acceptance of the Ohio Department of Transportation for the Elderly and Disabled Transit Fare Assistance Program and, upon approval, for the City Manager to execute any grant or agreement as awarded. It is further requested that this legislation take immediate effect in full accordance with Section 14 of the City Charter in order to meet the Ohio Department of Transportation submission deadline of October 27, 2011 for the resolution to accept allocated grant funds from the Ohio Elderly and Disabled Transit Fare Assistance Program.

Whenever any event of default has occurred, ODOT may (a) decline to make any further payments under this Contract to the Grantee, and (b) require reimbursement from the Grantee of all or any portion of the grant funds for any period of time that the Grantee has been in default.

No remedy herein conferred upon or reserved by ODOT is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Contract now or hereafter existing at law or in equity.

No delay or omission to exercise any right or option accruing to ODOT upon any default by the Grantee shall impair any such right or option or shall be construed to be a waiver thereof, but any such right or option may be exercised from time to time and as often as may be deemed expedient by ODOT.

SECTION 10. NO ADDITIONAL WAIVER IMPLIED: If any term, provision or condition contained in this Contract is breached by either the Grantee or ODOT and thereafter such breach is waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

SECTION 11. SEVERABILITY: If any provision of this Contract is held to be invalid or unenforceable by a court jurisdiction, such holding shall not affect the validity or enforceability of the remainder of this Contract. All provisions of this Contract shall be deemed severable.

SECTION 12. REPRESENTATIONS AND WARRANTIES MADE BY GRANTEE: The Grantee hereby represents and warrants that it is a county transit board or regional transit authority

established pursuant to Chapter 306 of the Ohio Revised Code, a county, a municipality or a private nonprofit corporation and that it has full power and authority to enter into this Contract and to perform its obligations hereunder.

SECTION 13. PROGRAM POLICY AND PROCEDURE: The current Policy and Procedure for the Elderly and Disabled Transit Fare Assistance Program as determined by ODOT are incorporated into this grant agreement in its entirety.

SECTION 14. FINDINGS FOR RECOVERY: No state agency and no political subdivision shall award a contract for goods, services, or construction, paid for in whole or in part with state funds, to a person whom a finding for recovery has been issued by the Auditor of State, if the finding for recovery is unresolved as defined by the Attorney General.

SECTION 15. OFFER; EFFECTIVE DATE: When transmitted by ODOT to the Grantee, this document shall constitute an offer which shall expire if it is not accepted, executed and returned to ODOT by the Grantee within thirty days of such transmittal, unless an extension is granted in writing by the Administrator at the request of the Grantee. This Contract shall become effective upon its execution by ODOT and the Grantee, and the obligations of the parties hereunder shall then begin.

SECTION 16. BANNING THE EXPENDITURE OF PUBLIC FUNDS ON OFFSHORE SERVICES: The Grantee affirms to have read and understands Executive Order 2011-12K issued by Ohio Governor John Kasich and shall abide by those requirements in the performance of this Contract, and shall perform no services required under this Contract outside of the United States. The Executive Order is provided as an attachment and also is available at the following website: (<http://governor.ohio.gov/MediaRoom/ExecutiveOrders.aspx>).

The Grantee also affirms, understands, and agrees to immediately notify the State of any change or shift in the location(s) of services performed by the Grantee or its Project Contractors under this Contract, and no services shall be changed or shifted to a location(s) that are outside of the United States.

Banning the Expenditure of Public Funds on Offshore Services - Termination. Sanction. Damages:

If Grantee or any of its Project Contractors perform services under this Contract outside of the United States, the performance of such services shall be treated as a material breach of the Contract. The State may also recover from the Grantee all costs associated with any corrective action the State may undertake, including but not limited to an audit or a risk analysis, as a result of the Grantee performing services outside the United States.

The State may, at any time after the breach, terminate the Contract, upon written notice to the Grantee. The State may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Contract and costs associated with the acquisition of substitute services from a third party.

If the State determines that actual and direct damages are uncertain or difficult to ascertain, the State in its sole discretion may recover a payment of liquidated damages in the amount of 5 % of the value of the Contract.

The State, in its sole discretion, may provide written notice to Grantee of a breach and permit the Grantee to cure the breach. Such cure period shall be no longer than 21 calendar days. During the cure period, the State may buy substitute services from a third party and recover from the Grantee any costs associated with acquiring those substitute services.

Notwithstanding the State permitting a period of time to cure the breach or the Grantee's cure of the breach, the State does not waive any of its rights and remedies provided the State in this Contract, including but not limited to recovery of funds paid for services the Grantee performed outside of the United States, costs associated with corrective action, or liquidated damages.

Banning the Expenditure of Public Funds on Offshore Services - Assignment/Delegation: The Grantee will not assign any of its rights, nor delegate any of its duties and responsibilities under this Contract, without prior written consent of the State. SECTION 8. CHANGE IN CONDITIONS OR LAW AFFECTING PERFORMANCE: The Grantee shall immediately notify ODOT of any change in conditions or local law or of any other event which may affect its ability to carry out its responsibilities in accordance with the provisions of the Contract.

SECTION 9. DEFAULT: Neglect or failure of the Grantee to comply with any of the terms, provisions or conditions of this Contract or of any other grant contract entered into between ODOT and the Grantee or failure of any representation made to ODOT by the Grantee in connection with any such contract to be true shall be an event of default, whether or not payment of grant funds has been fully or partially made.

Whenever any event of default has occurred, ODOT may (a) decline to make any further payments under this Contract to the Grantee, and (b) require reimbursement from the Grantee of all or any portion of the grant funds for any period of time that the Grantee has been in default.

No remedy herein conferred upon or reserved by ODOT is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Contract now or hereafter existing at law or in equity.

No delay or omission to exercise any right or option accruing to ODOT upon any default by the Grantee shall impair any such right or option or shall be construed to be a waiver thereof, but any such right or option may be exercised from time to time and as often as may be deemed expedient by ODOT.

SECTION 10. NO ADDITIONAL WAIVER IMPLIED: If any term, provision or condition contained in this Contract is breached by either the Grantee or ODOT and thereafter such breach is waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

SECTION 11. SEVERABILITY: If any provision of this Contract is held to be invalid or unenforceable by a court jurisdiction, such holding shall not affect the validity or enforceability of the remainder of this Contract. All provisions of this Contract shall be deemed severable.

SECTION 12. REPRESENTATIONS AND WARRANTIES MADE BY GRANTEE: The Grantee hereby represents and warrants that it is a county transit board or regional transit authority

established pursuant to Chapter 306 of the Ohio Revised Code, a county, a municipality or a private nonprofit corporation and that it has full power and authority to enter into this Contract and to perform its obligations hereunder.

SECTION 13. PROGRAM POLICY AND PROCEDURE: The current Policy and Procedure for the Elderly and Disabled Transit Fare Assistance Program as determined by ODOT are incorporated into this grant agreement in its entirety.

SECTION 14. FINDINGS FOR RECOVERY: No state agency and no political subdivision shall award a contract for goods, services, or construction, paid for in whole or in part with state funds, to a person whom a finding for recovery has been issued by the Auditor of State, if the finding for recovery is unresolved as defined by the Attorney General.

SECTION 15. OFFER; EFFECTIVE DATE: When transmitted by ODOT to the Grantee, this document shall constitute an offer which shall expire if it is not accepted, executed and returned to ODOT by the Grantee within thirty days of such transmittal, unless an extension is granted in writing by the Administrator at the request of the Grantee. This Contract shall become effective upon its execution by ODOT and the Grantee, and the obligations of the parties hereunder shall then begin.

SECTION 16. BANNING THE EXPENDITURE OF PUBLIC FUNDS ON OFFSHORE SERVICES: The Grantee affirms to have read and understands Executive Order 2011-12K issued by Ohio Governor John Kasich and shall abide by those requirements in the performance of this Contract, and shall perform no services required under this Contract outside of the United States. The Executive Order is provided as an attachment and also is available at the following website: (<http://governor.ohio.gov/MediaRoom/ExecutiveOrders.aspx>).

The Grantee also affirms, understands, and agrees to immediately notify the State of any change or shift in the location(s) of services performed by the Grantee or its Project Contractors under this Contract, and no services shall be changed or shifted to a location(s) that are outside of the United States.

Banning the Expenditure of Public Funds on Offshore Services - Termination. Sanction. Damages:

If Grantee or any of its Project Contractors perform services under this Contract outside of the United States, the performance of such services shall be treated as a material breach of the Contract. The State is not obligated to pay and shall not pay for such services. If Grantee or any of its Project Contractors perform any such services, Grantee shall immediately return to the State all funds paid for those services. The State may also recover from the Grantee all costs associated with any corrective action the State may undertake, including but not limited to an audit or a risk analysis, as a result of the Grantee performing services outside the United States.

The State may, at any time after the breach, terminate the Contract, upon written notice to the Grantee. The State may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Contract and costs associated with the acquisition of substitute services from a third party.

If the State determines that actual and direct damages are uncertain or difficult to ascertain, the State in its sole discretion may recover a payment of liquidated damages in the amount of 5 % of the value of the Contract.

The State, in its sole discretion, may provide written notice to Grantee of a breach and permit the Grantee to cure the breach. Such cure period shall be no longer than 21 calendar days. During the cure period, the State may buy substitute services from a third party and recover from the Grantee any costs associated with acquiring those substitute services.

Notwithstanding the State permitting a period of time to cure the breach or the Grantee's cure of the breach, the State does not waive any of its rights and remedies provided the State in this Contract, including but not limited to recovery of funds paid for services the Grantee performed outside of the United States, costs associated with corrective action, or liquidated damages.

Banning the Expenditure of Public Funds on Offshore Services - Assignment/Delegation: The Grantee will not assign any of its rights, nor delegate any of its duties and responsibilities under this Contract, without prior written consent of the State. Any assignment or delegation not consented to may be deemed void by the State.

Kelly -

The Division of Planning has no objections to this transfer as it appears that the use of the building will remain the same - the J Bistro Restaurant. This is a permitted use under the Zoning Code at this location (129 W. Market Street).
