

# **MONTHLY REPORT**

**January**

**2014**

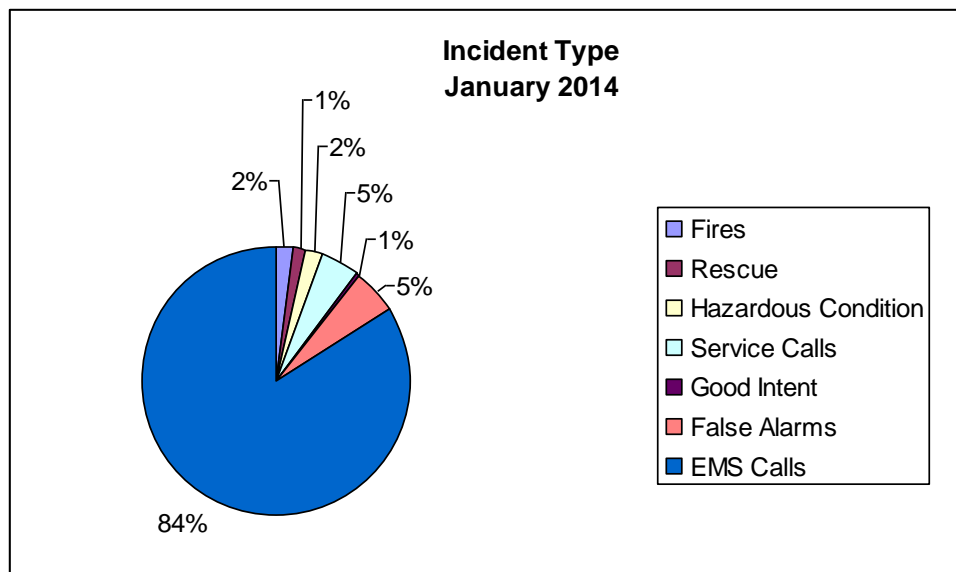

**There were 540 responses in January. 60% percent of all responses were in District 1. Responses in District 3 and District 7 were 24% and 16% respectively.**

**The average response time for fire emergencies was 4 minutes and 18 seconds. The average response time for EMS emergencies was 3 minutes and 26 seconds. The Sandusky Fire Department responded to 68% of fire emergencies within four minutes and 86% of EMS emergencies within four minutes. This calculates to 83% of all emergency calls within four minutes.**

**In January, 82% of all emergency responses were to residential occupancies (residences, nursing homes and residential institutions). Commercial buildings, recreational occupancies and streets and highways totaled 12%.**

**Ambulance service continues to be the highest requested service at 84%. Structure fire activity was 2% of all emergent activity. False alarms represented 5% of all January emergent activity. There was \$60,000 in fire loss.**

**Forty percent of all January activity was emergency response. Station and vehicle maintenance was forty-four percent and training was twelve percent.**

**Thirty-seven percent of January training was physical fitness training. Thirty-nine percent was fire training with the focus on fireground operations.**

**Fuel Usage**

The Sandusky Fire Department used 898.126 gallons of fuel at a cost of \$3077.840 in January 2014.

**Staffing**

The average daily staffing for January was 13.32 personnel per day. All three stations remained open in January.

**Mutual –Aid**

Sandusky Fire Department received mutual one time and provided mutual aid one time in January.

Respectfully Submitted,

**Paul E. Ricci, EFO, CFO  
Chief of Department**

FPB TOTAL: 32 inspections and re-inspections.

District 1

TOTAL: 48

Shift #1

TOTAL: 0

District 3

TOTAL: 24

Shift #2

TOTAL: 0

District 7

TOTAL: 0

Shift #3

TOTAL: 72

Bureau administrative activities this month included: Vacant & Abandoned building legal and administrative documentations and grant management. The prevention bureau began delivering public safety messages at the city commission meetings. This practice will continue once a month with a different message every month. Inspections include: high risk manufacturing facilities. Re-inspections from company inspections were also completed. There was only one public education event in the month of January that focused on fire & life safety in the home and at work. The education events attendance recorded 20 adult attendees and 0 children.
