

City of Sandusky Fire Department

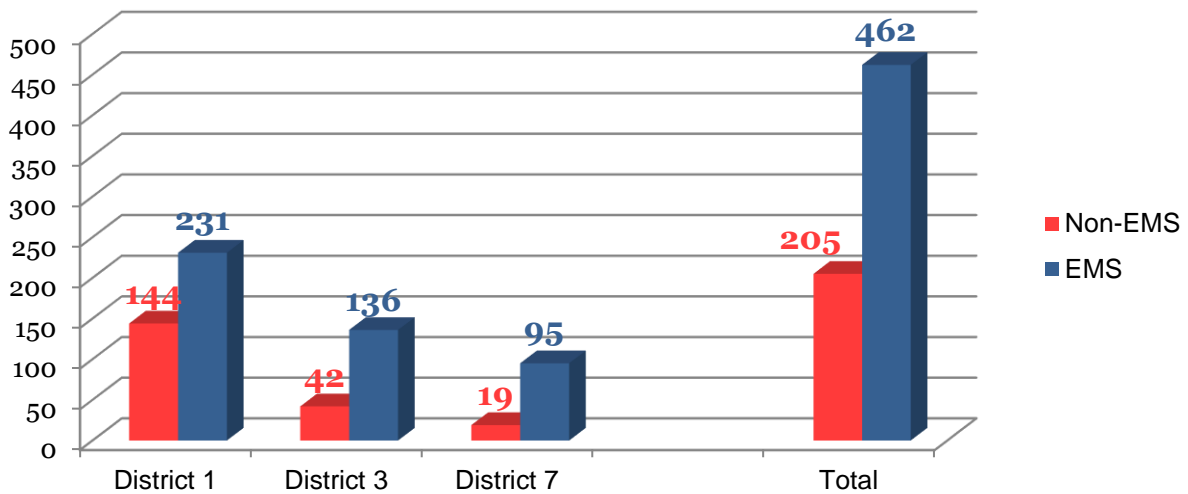

Monthly Report

June 2016

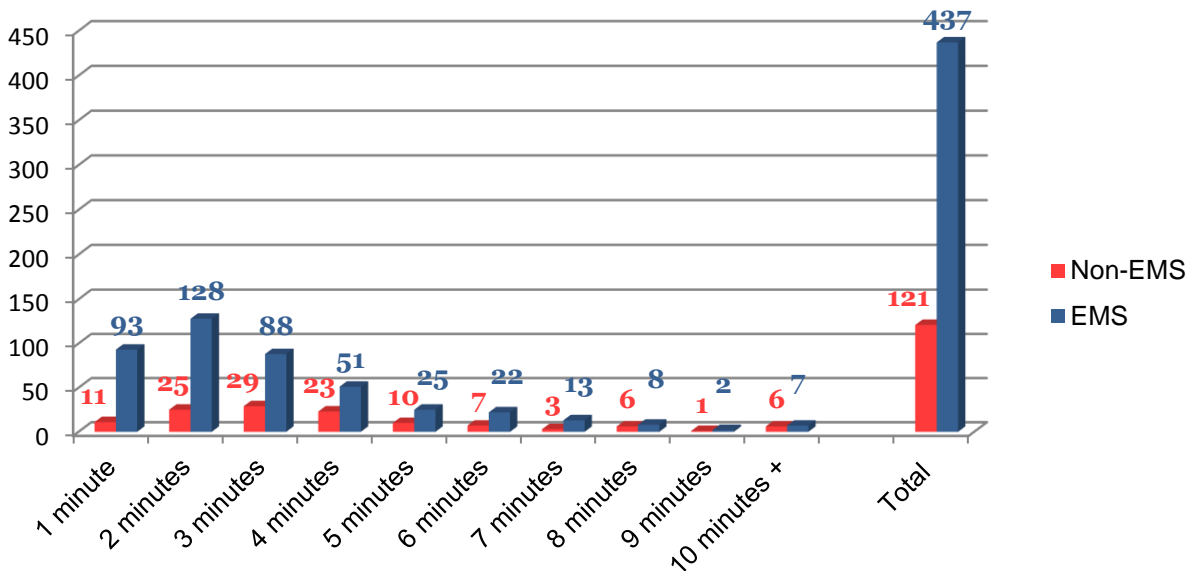

Operational Reports Generated For The Month of June

There were 667 reports generated in June. 56% of all reports were for District 1. Reports for District 3 and District 7 were 27% and 17% respectively.

District Emergency & Non-Emergency Response-To-Scene Statistics

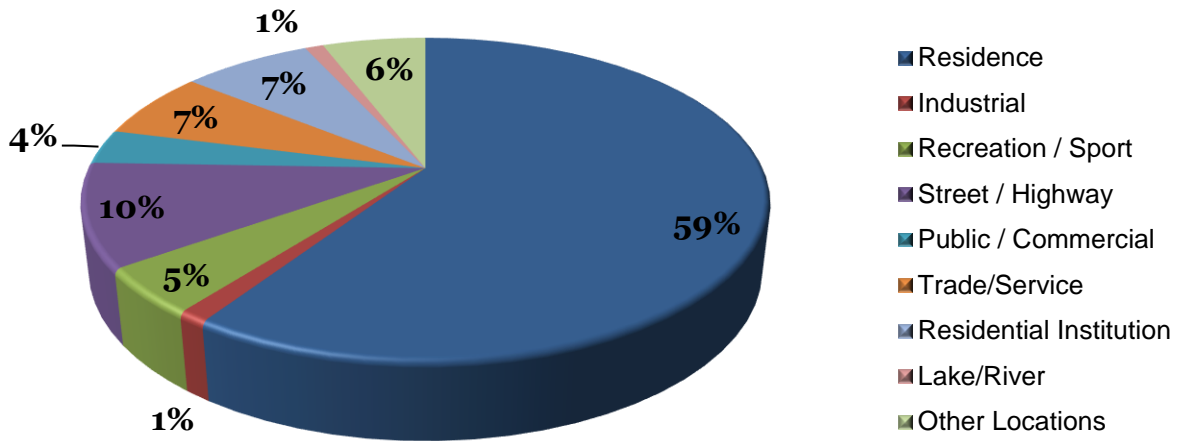

The average response-to-scene time for fire related calls was 4 minutes and 42 seconds. The average response time for EMS related calls was 3 minutes and 28 seconds.

The Sandusky Fire Department responded to 80% of all Fire & EMS requests for help within 4 minutes.

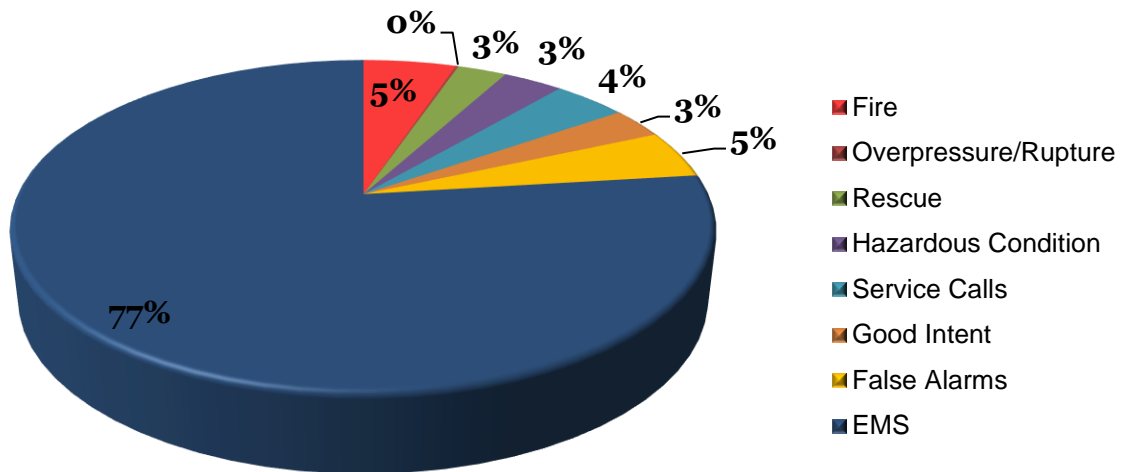

Response By Location

In the month of June, 66% of all department responses were to residential occupancies (residences, nursing homes and residential institutions).

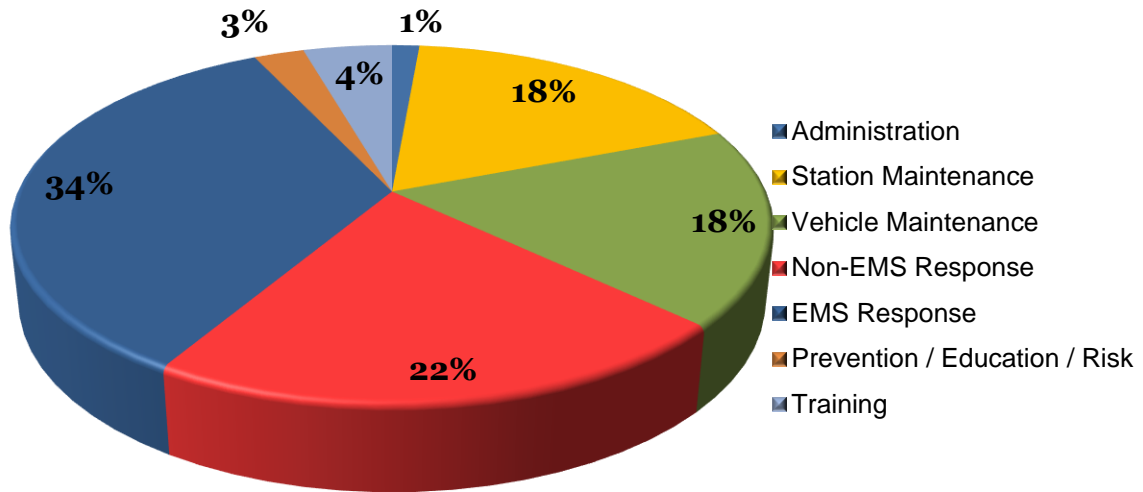

Incident Type

EMS related calls continue to be the highest requested service at 77%. There were nine structure fires reported in June with 3 of those fires categorized as major fires. False alarms represented 5% of all emergent activity. There was an estimated \$6,217,500 in fire loss in the month June.

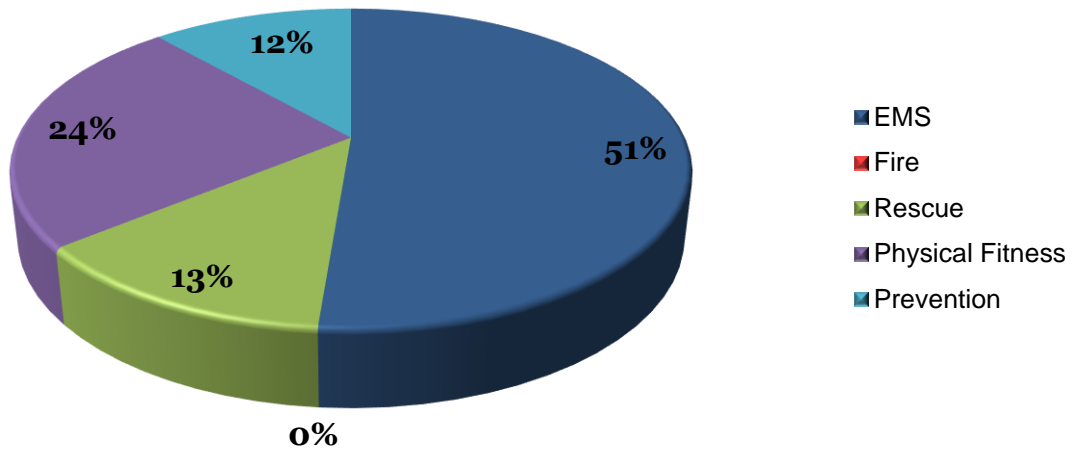

Monthly Staff Activity

56% of all June activity was fire/ems related calls. Station and vehicle maintenance was 36% and training was 4%.

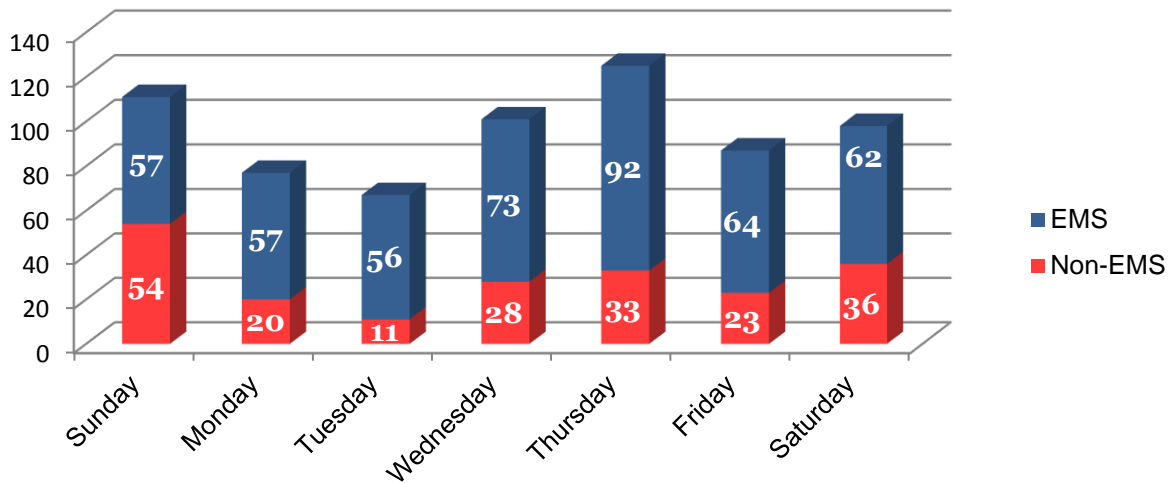

Training Analysis

64% of June training concentrated on EMS and Rescue education. 12% was on fire prevention and education and 24% on physical fitness.

Responses By Day-Of-Week

Average Daily Staffing:

The Sandusky Fire Department maintained a regularly scheduled average daily staffing level of 10 firefighters. Any drop in a staffing level below 11 firefighters per day is supplemented with voluntary overtime call-in by off-duty personnel.

Mutual Aid:

The Sandusky Fire Department received mutual-aid 6 times in the month of June from other agencies within Erie County and provided mutual-aid to those agencies 8 times.

Respectfully Submitted,

Dave Degnan, Fire Chief
