

**CITY OF SANDUSKY
2016 LEAF COLLECTION PROGRAM**

Leaves should be placed on the boulevard, not in the street. They should be beside the curb, preceding the first scheduled pickup day in your particular zone. If leaves are raked ahead of the designated scheduled pickup, they may be placed near the street, and then raked to the curb/shoulder the day before the first scheduled pickup day.

No brush or foreign matter (Including limbs and other yard waste) is to be included with the leaves.

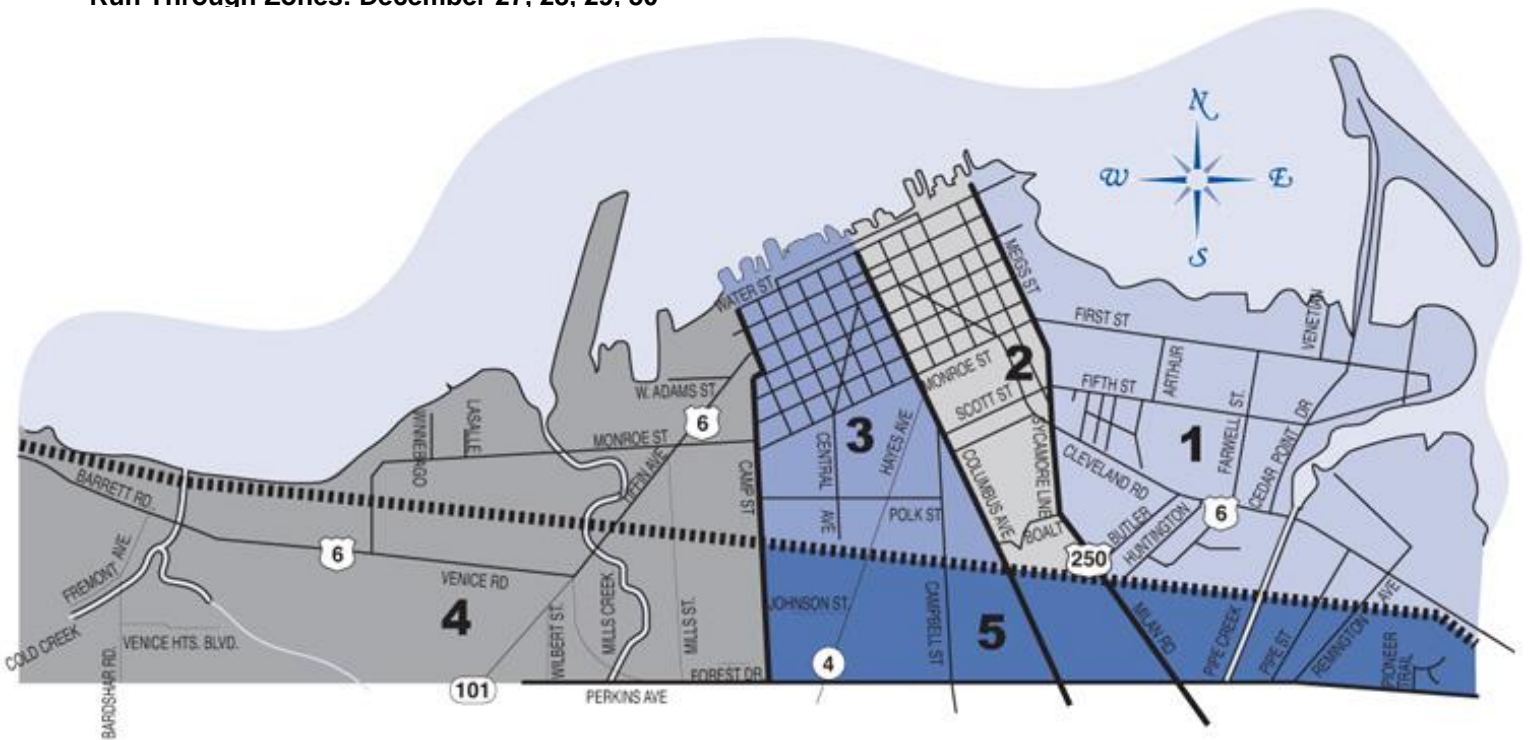

Residents who participate in the city's weekly Yard Waste Collection Program must keep leaves and yard waste separate. It is permissible to bag your own leaves. They must be placed in paper bags only and left at the curb for pickup.

Vehicles should be parked off-street when leaf collection is scheduled to take place in your zone.

Below is a schedule of the pickup zones and dates for collection.
