SANDUSKY CITY HOUSING
DEVELOPMENT & BEAUTIFICATION
PROGRAMS

PROGRAM YEAR 2017

INTRODUCTION

The Housing Development and Beautification (HDB) program intends to spur new housing development while preserving existing housing stock in an effort to retain and attract residents to the City of Sandusky (the “City”). Financial assistance is available for new or substantially redeveloped housing units, homebuyers and property owners desiring to undertake exterior enhancements to their property.

The City strongly believes that preservation of existing housing stock and the creation of new and diverse housing options are critical to retaining and attracting residents to the City. Increased investments in housing units will also stimulate economic development activity - which will strengthen the real estate market, increase property values, create a more walkable community and improve overall quality of life.

HOUSING DEVELOPMENT & BEAUTIFICATION PROGRAMS

The City’s intention is for its programs to be fair, straightforward, and easy to navigate. If you have any questions or would like to schedule a pre-application meeting, please do not hesitate to contact the City’s Development Specialist, Maria Muratori at (419) 627-5891 or mmuratori@ci.sandusky.oh.us.

Section I - GENERAL TERMS:

FUNDING AVAILABILITY: Approximately \$300,000 is available for calendar year 2017

USE OF FUNDS: HDB funds can be used for the following purposes:

Substantial Redevelopment: HDB grants may be used to subsidize the cost of constructing new housing units or substantially rehabilitating existing housing units. These grants may also be used for the creation of new housing units through adaptive reuse of non-residential properties into residential properties.

Exterior Repairs: HDB grants may be used to undertake certain exterior home repairs and improvements visible from the public-right-of-way including but not limited to roof repairs, window replacement, porch reconstruction, and painting.

Landscaping: HDB grants may be used for certain landscaping and related improvements visible from the public right-of-way including, but not limited to, new shrubs/trees/flowers, tree removal, planting bed construction and landscaping light and decorative fence installation.

Downpayment Assistance: HDB grants may be used for the acquisition of one-, two- and three-family residences that will be owner occupied.

ELIGIBILITY REQUIREMENTS: The properties must be located in the municipal boundaries of the City. HDB funds, depending on the program, may be used as gap financing, matching funds or funds not requiring a match. All projects must meet applicable zoning requirements. Applicants with mobile homes that are permanently affixed to the ground are eligible to apply. **Projects with outstanding code violations are eligible to apply – but all code violations must be repaired prior to grant disbursement.**

APPROVAL PROCESS: Completed applications will be accepted on a rolling basis throughout the year on a first come – first serve basis. The Department of Community Development reviews applications first for completeness and to ensure compliance with eligibility criteria. All approved applications will be provided an award letter. Applicants who submit incomplete applications and/or applications with compliance issues will be contacted and will have four (4) weeks to rectify all identified issues. If the issues are not rectified within four (4) weeks to the satisfaction of the City, the application will be discarded and the applicant will need to submit a new application. Please allow for up to four (4) weeks for application review. Applications for assistance greater than \$10,000 that are approved by the Department of Community Development will require final approval by the Sandusky City Commission.

Accepted applications must be for the current program year. Once funds for the current program year are exhausted, applicants must wait until a new application and funding are available.

AVAILABLE FINANCING: HDB funding is intended to be an additional or secondary financing source and is not intended to cover 100% of a potential project's cost – with the exception of those applying for modest exterior repair assistance. **For those applying for other types of funding assistance, all other sources of funding must be utilized before any HDB funds are disbursed.** Grant proceeds are provided directly to third party contractors or on a reimbursable basis, payable to the property owner of legal title with the exception of those applying for down payment assistance funding. For those applying for downpayment assistance funding – grant proceeds will be disbursed only to the Title Company handling the transaction prior to closing. Applicants have up to 180 days to complete projects after receiving an award letter, subject to adjustment based on the condition of the property. Applicants who receive a Downpayment Assistance grant have 90 days to close on a home purchase. Grants will generally be disbursed within approximately four (4) weeks following confirmation of all program requirements required for disbursement.

REQUIRED EQUITY: The amount of required equity will vary depending on the particular program being applied for.

APPLICATION FEES: None

MISCELLANEOUS: Applicants are permitted in certain instances to perform improvement work themselves; however in this case, City grants will be available for materials only (no labor). Applicants may be requested to sign certain waivers to allow the City to share information with relevant lending institutions and obtain credit reports for those seeking funding for downpayment assistance and substantial redevelopment. Requests for funding will be denied if applicants have outstanding collections, judgment liens, other court judgments, delinquent taxes, other tax liens, or any delinquent outstanding money owed to the City. Any previous bankruptcy must be fully discharged prior to submitting an application.

No person shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with HDB funds.

Section II – PROJECT EXCLUSIONS:

Each program outlined in Section III may have specific and more restrictive eligibility requirements than those listed in this Section. The project exclusions outlined in this Section generally apply to all applications and projects regardless of the type of financial assistance being requested.

PROJECT EXCLUSIONS: Projects will not be considered for financial assistance through HDB if they involve:

1. Rehabilitation, construction or redevelopment that involuntarily and permanently displaces businesses, residents or tenants.
2. Refinancing of existing debts and mortgages.
3. Financing of speculative projects, buildings, or activities such as land banking or acquisition of real estate with no planned capital improvements or re-occupancy.
4. Projects in which the property or project in question does not meet zoning or occupancy codes.
5. Financing to projects in which the applicant has ever or currently owns entirely or in part, real estate that is tax delinquent and not on a payment plan, contains non-registered rental units, or is in foreclosure. Applicants who have previously had real estate in foreclosure are eligible after a period of seven (7) years from the date of case closure.

6. Financing of projects in which the applicant currently has utility delinquencies including but not limited to water and sewer.
7. Financing of projects in which the applicant currently has rental registration and/or administrative penalty delinquencies or has any outstanding delinquent or defaulted liabilities with the City.
