

## About Paper District Marina

The Paper District Marina & Amphitheater is located conveniently in downtown Sandusky. This property, also known as the Sandusky Boat Basin, was obtained by the city in 2003 with use of a \$3 million grant from the Clean Ohio Fund.

The marina opened for transient dockage on June 14, 2011, making it Sandusky's 16th public access site. Beautiful views of the marina, Cedar Point, the coal dock and shipping channel are available from the paved walking paths that lead from the boat basin to the amphitheater hill. The marina's walkway also connects to the Chesapeake Walkway.

Fishing is allowed, but only along the north side of the breakwater, which is fully handicapped accessible.

Ohio Department of Natural Resources, Coastal Management (2011).  
*Lake Erie public access guidebook* (113-B).

## Directions

**Driving:** *Coming from the East, West or South:* Connect to Ohio Turnpike or Route 2. Take US 250 Exit. Turn left onto Perkins Avenue. Turn right onto Columbus Avenue. Take a left onto Water Street, then a right on Decatur Street. Turn left onto Shoreline Drive and the Paper District Marina will be to your right.

**Boating:** Located just south of Buoy Red #20 in Docking Channel.

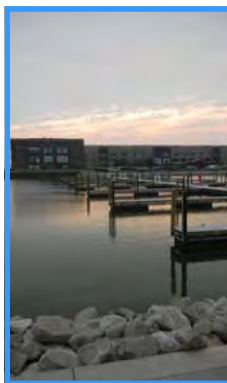

North 41 degrees, 27.42'  
West 82 degrees, 43.02'
