**Forms must be inspected and approved before any concrete is poured. Call 419-627-5829 to schedule inspection. 24-hour advanced notice is required. Inspections must be scheduled during normal working hours.** Work shall be done with as little inconvenience to the public as possible. If it is necessary to obstruct the street with such material as is necessary in the prosecution of this work covered by this permit, it will be subject to the rules and regulations of the Department of Engineering Services governing the issuance of the permits to obstruct streets.

In consideration of the granting of this permit, the undersigned agrees:

1. To comply with the provisions of all of the ordinances, rules, regulations, and specifications on file in the office of the City Manager, grades and lines furnished by the City Manager, and other instructions now in force and which may hereafter be established regulating
2. That work will commence on \_\_\_\_/\_\_\_\_/\_\_\_\_ and be completed by \_\_\_\_/\_\_\_\_/\_\_\_\_.
3. To hold the City of Sandusky harmless from any and all claims for personal injuries and property damage that might be brought due to this work and/or the installation of the facilities covered by this permit and agrees to indemnify the City of Sandusky for any and all claims paid for personal injuries and/or property damage which might arise due to this work and/or installation of the facilities covered by this permit, and to reimburse the City of Sandusky for any expense incurred by it by reason of such claim, including but not limited to court costs and attorney fees.
4. This Agreement shall not be construed as a limitation of the authority of the Sidewalk Inspector, Director of Engineering Services or the City Manager to revoke this permit for failure to comply with state and local laws, regulations or conditions in this permit, or any other lawful basis for revocation.
